

ATTENTION!

COVID-19 UPDATE: VISITOR GUIDELINES EFFECTIVE 11/10/20

No visitors allowed except for the following circumstances:

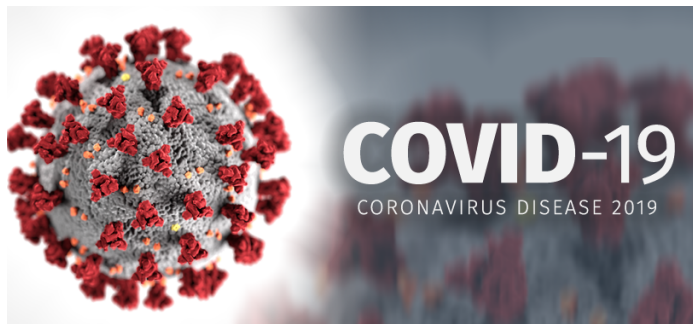

- Patient presenting to the emergency department (Limited to one person if needed)
- Labor/Delivery patient (Limited to one labor partner)
- Pediatric/Minor patient (19 years or younger in Nebraska – Limited to one parent/guardian)
- Dependent adult needing special assistance from a support person (As determined by the care team)
- Patient care partner needing teaching and instructions prior to discharge (As determined by the care team)
- Outpatient and clinic patient needing a support person and/or transportation assistance (Limited to one)
- Patient receiving end-of-life care (Number to be determined by care team)
- Special Circumstances (As identified by the care team)

The purpose of support persons is to assist with specific needs of the patient, as identified by the patient's care team. All support person must:

- Enter through designated entrances to check in and be screened for risk of illness
- Follow all infection prevention and other Thayer County Health Services guidelines. Anyone violating these guidelines will be required to leave the facility.

Thank you for your understanding and cooperation with these restrictions. We appreciate your assistance as we do all we can to keep you, your loved ones, our staff, and our communities safe.
